## Petitions Rapidly Signed

More Than Six Times  
The Needed Number of  
Names Sent Supervisors

Strong support for the proposed Desert Hospital district was reported by Chairman Kenneth Kirk yesterday following a check of petitions circulated in Palm Springs and surrounding area.

Kirk reported that signatures on the appeal to county supervisors to call a special election to decide the question of the hospital district surpassed the number required almost six to one.

THE PETITIONS were turned over to the general chairman Friday by civic leaders who had circulated them in Desert Hot Springs, Edom, Palm Village, Palm Desert, Rancho Mirage, Cathedral City, Trancas and Palm Springs. More than 1100 names had been attached to the petitions during the two weeks the petitions were in circulation, and sentiment throughout the proposed district was reported to be virtually unanimous behind the new hospital operation plan. Warm praise was voiced by the chairman for the excellent showing made by the persons to whom the petitions were issued two weeks ago when the district formation plan was formally inaugurated.

YESTERDAY THE PETITIONS were turned over by Kirk to the County Board of Supervisors to set in motion the machinery to call the special election which is expected to be held about the middle of December.

First the signatures on the petitions must be checked by County Clerk Gordon Pequegnat's office for correct registration. Thereafter the board of supervisors will refer the petitions to the county boundary commission which will make certain there is no conflict with other district lines.

THEN preliminary hearings will be held at which objections may be filed by persons wishing to be included or excluded and a final hearing will be set later for final action.

There appeared a possibility this week that an additional area, not included in the original district, may petition for inclusion. This would meet with the fullest endorsement of the District Hospital committee since the greater the area the lower the tax upon everyone, the chairman said.

NO FURTHER MEETINGS of the sponsoring committee are contemplated until next fall.

Chairman Kirk expressed special appreciation to the delegations which circulated the petitions. See HOSPITAL PLANS, Page 7

## Unfriendly

So Police Are Looking  
For Man and \$100

Police are looking for a John Doe who has \$100 belonging to William M. Fry, 162 North Indian avenue.

Fry reported to Police Officer Harry Houghton yesterday afternoon that he engaged in a friendly game with the man but that friendship apparently ceased and the man, now wanted, gyped him out of his cash.

## Resorts Will Do All Right Next Year, Prediction

Three Village Hotel  
Heads Return from  
Convention in Arizona

Business in vacation spots next year will be good according to Earl Coffman, one of three Villagers just returned from the Arizona State Hotel association convention at Phoenix.

Harold P. Beck of the American Hotel association was the authority for the prediction of booming business for resorts in a talk to the assembled hotel men.

The meeting conducted for resort operators lasted throughout Monday and Tuesday at last week. The last two days of the convention, Wednesday and Thursday, took in the general business of the convention. Coffman, an associate member of the Arizona Hotel Men's association, is also a director of the American Hotel association.

Also at the convention were Ruth Hardy, owner of the Ingle-side Inn and Tom Burness, proprietor of the Desert Retreat. The Villagers said that Arizona resort areas did a booming business this year and that building was going on at a brisk pace.

## Dates for Two Conventions in Fall Decided

Dates for two conventions here in fall have already definitely been set and tentative plans to hold the California State Medical association convention May 1, have already been announced.

First convention of the year will be under the auspices of the Men's Wear association and is set for October 29 through the 31st. This group will again take over the entire Desert Inn as headquarters and for accommodations of those attending. Last fall and the convention of 1946 brought more than 2,000 persons to the Village.

IN ADDITION to local fame, national publicity was focused on the Village because of the new men's styles introduced. An equal number if not more, persons will be on hand at the October event this year according to Knute Thorsen, chairman of the Men's Wear association.

The fifth annual Dental Seminar has been set for five days commencing October 17, according to Earl Coffman of the Desert Inn. This seminar will be followed by annual Industrial Conference of the Merchants and Manufacturing Association.

The dental seminar will be the third held in Palm Springs. Last year the meeting was held in Yosemite Valley. However, since then the dentists have decided that Palm Springs and the Desert Inn will hereafter be the permanent meeting place each year.

## Balloting on Board Sets New Record

Six New Directors  
Elected, One Appointed  
Is Announcement

Six directors of the Palm Springs Chamber of Commerce were returned to office, five new ones were elected and one appointed yesterday morning at a meeting of the directors in the Fiesta House of the Desert Inn.

Re-elected to office were Earl Strebe, Barney Hinkle, Stanley Rosin, Phil Delano, Wilson Gibbs and M. A. Charleston.

NEWLY ELECTED were: George Wheeler, publisher of The Villager; Esther McGee, manager of Wonder Palms; Herman Reich, owner of the Village Market; Herbert Burns, apartment house operator; and Max Dresner, owner of the Del Tahquitz hotel.

Directors accepted the resignation of Gordon Feelings, who declared that his new office as councilman would take up so much of his time, he would have little left to devote to his duties as a Chamber director.

IN HIS PLACE, Keith Herbert, next on the list in number of votes tallied, was appointed.

The voting for new directors was conducted by mail ballots with the deadline for their return May 1. Report of the results was read by Arch Noble, chairman of the election committee.

His report showed the heaviest vote yet to be cast in a chamber of commerce election. Earl Strebe received the largest number with 104 votes; Hinkle had 128; Rosin, 126; Wheeler, 126; Delano, 118; McGee, 104; Gibbs, 95; Reich, 92; Charleston, 91; Burns, 89; Dresner, 84; and Keith Herbert, 79. The ballot contained names of 27 candidates. A total of 197 votes were cast.

## Scouts Almost Have to Pass Up Big Feast

Flames Threaten Big  
Barbecue of Visiting  
Southland Youths

A flaming grease fire at the Ye Quality Bake Shop almost deprived the more than 400 senior Boy Scouts encamped at the Field Club of their barbecue dinner Saturday.

More than 100 pounds of barbecued meat was endangered when a grease pan tilted its contents onto an open flame. Firemen rushed to the scene at 5:30 p.m. Saturday and with the use of fog-spray were able to save the piece de resistance of the Boy Scout dinner.

## 400 Scouts Rally Here in 3-Day Camp

Approximately 400 senior Boy Scouts of America spent three days encamped at the Field Club over the weekend in the largest bivouac of Scouts to take place in this area with Scouts present from practically every city in the southland.

It was the hope of Scouting leaders and officials that the encampment here would be held annually.

Staging of the successful event was credited to the untiring work of Reg Jones, camping chairman of Palm Springs Scout council. With the assistance of Harold Lienau he arranged for many of the accommodations the boys enjoyed and the swimming pools in the Village they were allowed to use.

Highlight of the encampment which started Friday and ended Sunday night, was the dance held at the American Legion hall. Young girls, properly chaperoned, came from all over southern California to dance with the Scouts. Saturday night after the dance the girls were given sleeping accommodations at the Roller Rink and departed for their homes the following day.

The Boy Scouts engaged in athletic contests, gave exhibitions of Scouting proficiency and gave a demonstration in mountain climbing in one of the nearby canyons.

A barbecue dinner was tendered the Scouts before the dance Saturday night.

## Peace-Makers

They Find That Innocent  
Bystanders Is the Goat

Two Villagers learned over the weekend that the life of a peace loving arbitrator can be full of physical bumps and bruises.

Frank Richardson was taken to the Palm Springs Community hospital Saturday night suffering from a bump over his right eye as large as a goose-egg sustained when he attempted to stop a fight between friends. One of the combatants kicked him, police reported.

Robert Crohen, according to police reports, stepped between a battling husband and wife and received a severely lacerated hand. He was taken to Community hospital for first aid. Police said that one of the combatants used a knife.

## Local Yokels

Play Under Way in  
Annual Tournament

Play got under way yesterday in the annual Local Yokels and Caddies tournament on the O'Donnell course. At the end of the first 18 holes last night the leaders were:

Local Yokels—B. Duffy, 73-10-63; V. E. Studebaker, 73-6-67; B. F. Shearer, 77-7-70.

Caddies—Charles Castro, 71; Lee Baker, 80; Jimmy Young, 85; Will Griffen, 85.

Final 18 will be played today. It is the biggest journey of its kind with 40 in the Yokel field and 30 seeking Caddy honors. Plans are already under way to make the annual event an even bigger affair next year.

## Start Spring Drive to Rid City of Trash

John Connell Takes  
Over as Co-ordinator  
For All Districts

Clean-up trucks of the city's waste and disposal department started rolling in District One yesterday, first day of the Spring Clean-up campaign and were scheduled to do the same in District two today and District three tomorrow.

According to a calendar-card sent Villagers by Bob Bennett, chairman in charge of the Spring Clean-up, truck hauling schedules for the remainder of the week are: Thursday, District Four; Friday, District 5; and Saturday the combined districts of six and seven. The trucks will continue to visit each of these districts on the days specified on the post-card calendar.

THE CLEAN-UP COMMITTEE is the working department of the City Beautification committee officially created by city council following the Fall clean-up campaign. Chairman Bennett announced yesterday that John Connell had been appointed District Chairman Co-ordinator for the drive and assumed his duties yesterday. Bennett added that the drive got away to a highly successful start.

Bennett announced that the success of the Spring Clean-up is entirely dependent upon the individual efforts of each Villager. The program calls for the collection of rubbish and trash into neat piles somewhere where "special haul" trucks can easily pick them up.

A SPECIAL FEE of \$2.00 for each 15 minutes of loading time has been arranged. In order to obtain this service one only has to telephone 6151 giving address, name and district and the location of the trash.

"If there is a trash accumulation in your house, garage, lot or adjacent property please have it cleaned up and hauled away," is the plea of Bennett and his committee.

He pointed out that only with the permission of the Fire Department may trash be burned. Illegal burning of trash will be followed by arrest and fine if convicted, according to city ordinance.

THE CITY Beautification committee urges every citizen to be on the lookout for persons who persist in dumping trash on the open desert or on vacant lots.

"Obtain the license number of automobile or truck used in illegal dumping of trash," urges the committee. "Offenders will be prosecuted under a city law which declares that it is a misdemeanor to dump trash just anywhere."

"Clean up in May; then you can play" is the slogan of the Clean-up committee.

## Saves Son

Mother Rescues Boy  
From Burning Home

Rescued from a burning house by his mother, Terry Senn, 6 years of age, is in Palm Springs Community hospital in critical condition today, suffering from second and third degree burns about the body.

Only information regarding the accident obtained here is that the mother rushed into their burning home at Pioneer-Town and saved the boy but not before he had sustained serious burns.

## What's on Your Mind?

What's on your mind?  
Have you a gripe? Any thought  
you'd like to air in public?

Or is there something about the Village you especially like? The Desert Sun believes that every Villager should have a say in what Palm Springs should be like. A lot of good ideas are born to blush unseen because they aren't put on paper or given the right publicity.

Therefore, The Desert Sun has started a new department: Villagers' Views. Put yours down on paper and send them in. About 200 words and be sure to sign your name. Just your initials will be used if you prefer, but The Sun must have your name on the letters. Anonymous communications will not be considered.

Address The Desert Sun and express your ideas for a better and brighter Palm Springs.

## Guy Lombardo Falls Short in Try for Record

Takes Three Cracks  
At American Mark on  
Course at Salton Sea

Band Leader Guy Lombardo returned to Palm Springs last night still short of the American speedboat record. He took three cracks at the record on the Salton Sea Monday and failed to break it.

On his first run, Lombardo averaged 117.845 miles an hour over the measured mile in choppy water, falling short of the American record of 124.915 set by Gar Wood in his Miss America X in 1932.

Lombardo's top speed of the afternoon was 119.601. This was registered on the third trial run by his craft, the Tempo VI. After hitting a top speed of 118.421 in his first try, he shifted to another propeller for the second run, some three hours later, but could hit only 108.57.

Just before dark, Lombardo put his trim \$100,000 boat into a third trial. He made the top speed of 119.601 on the up lap but dropped to 112.50 on the return for a 116.050 average.

## Police Officer Knifed Trying To Stop Fight

Harl Clinton, 23, Negro, was in police custody today held on an open charge which may be changed to assault with a deadly weapon, as a result of the severe knife wounding of Police Officer Dale Thompson at the Pioneer Club at 10:30 p.m. Sunday.

Clinton who was sought for more than 24 hours by police, was surrendered at the police station by his parents Mr. and Mrs. Moses Clinton at 10 p.m. yesterday. Clinton told police that he spent Sunday night hiding near the cemetery on the reservation. His parents who joined the search for their fugitive son found him walking across the desert toward Cathedral City, and were successful in persuading him to give himself up.

Clinton assertedly slashed Officer Thompson's upper arm to the bone when the policeman attempted to separate him and El-norse Grace, 33, also a Negro. Grace was superficially wounded in the chest.

AT THE HOSPITAL Thompson, who had suffered considerable loss of blood, was given a plasma transfusion. Doctors yesterday declared that the bicep muscle of the upper right arm was completely severed and that the officer would not be able to use it for some time.

Sunday evening Police Officers Jim Maynard and Thompson were directed to the Pioneer club by radio as they were doing prowl car duty.

AS THE OFFICERS entered the place Thompson grabbed Grace in an attempt to separate him from Clinton. Maynard dashed around to the side of Clinton but was a moment too late. In that interval Clinton lashed out with his knife, wounding the officer.

Maynard reported that the combatants were separated but neither he nor Thompson were aware then the latter had been wounded until blood started gushing from the right arm. Investigation then disclosed that Thompson was seriously injured and Maynard immediately decided to take him to the hospital. In See OFFICER KNIFED, Page 12

## Building for 1948 Tops 1947 Mark

April Falls Off But  
May Is Expected  
To See Much Activity

April building totals this year were the lowest since March, 1947, but 1948, to date, is still well over last year for the similar period.

In April this year P. M. Swart, building department chief, said building permits totalled \$265,645. In April, 1947, total permits were \$566,400.

But for the first four months of 1948, permits totalled \$1,842,890 compared to \$1,018,100 for the corresponding four months last year.

WITH A LEAD of almost three-quarters of a million over 1947, Swart expects the first six months of 1948 to hold their own especially since a large school permit will be taken out in May which will give the year a substantial boost.

In the month just closed the building department issued 38 permits. Of this number, nine were for new dwellings and two for apartments. The remainder were for alterations and additions.

In April last year, 58 permits were issued of which 35 were for dwellings and apartments.

WORK IS SCHEDULED to start May 15 on new school buildings for the elementary district on land recently acquired from the government at Torney General Hospital. A new school building, designed to relieve congestion at other Village schools and to meet the steady growth of Palm Springs, will go up on the 18.4 acres this summer.

Clark and Frey are the architects and in the modern structure have included 12 class rooms, a kindergarten, combination cafeteria and assembly room and a playground addition. The building is so planned that additions can be made whenever necessary. Ultimately the buildings will house 24 classrooms.

The permit for the new schools is expected to add between \$250,000 and \$300,000 to the May building total.

## Stinky

Sweet-Smelling Skunk  
Goes to Seattle Zoo

"Stinky," a deodorized skunk, pet of a Village family was this week shipped to the Woodland Park Zoo, Seattle, Washington, thanks to a classified in the columns of The Desert Sun and Mr. and Mrs. Eugene Levy who bought the animal.

Vacationing in Palm Springs, the Levys read the advertisement in The Sun announcing the sale of "Stinky," and his cage. Investigation revealed that the family who owned the animal were moving to a mid-western state and desired to sell the pet. The Levys wired the Seattle Zoo asking if a home could be found for the animal there.

The answer was "Yes" and "Stinky" is now aboard a train enroute to his future home—but, having undergone an interior renovating job, is bothering no one.

## Successful

Legion Auditorium  
Business Is Good

Operation of the Wars Memorial Building since it opened January 3 has been so successful from a financial standpoint, the organization has been enabled to pay off its bills for equipment and furnishings.

Yet to be paid but over a period of time is the first mortgage on the building, according to Commander John Connell.

Frank Partridge of the Boys Club issued a call today for all members to be at the Boys Club at 4 p.m. Friday afternoon to go to Coachella that evening for a softball game.

## Farrell and Plymire Again Doubles Champs

### 1941 Combination Trims '47 Winners In Three Hard Sets

Mayor Charley Farrell and Harry Plymire, tennis doubles champions back in 1941, came back—and how.

Playing Roland Vaile and Paul Lukas in the finals of the 1948 Palm Springs Tennis tournament they won in three hard-fought sets, 6-4, 4-6, 7-5.

The day before they had an equally strenuous set-to with Harold Hicks and Gus Kettmann, defending champs from 1947, winning after three tough ones, 6-8, 7-5, 8-6.

THE TWO three-set matches in which the mayor and his teammate regained their title, provided the galleries with some of the best tennis seen here in some time.

When Farrell and Plymire took the honors back in 1941 the tournament was a different affair. Big tennis names, as well as Villagers, took part and the 1948 champs took the 1941 crown from some of the best in the state and nation.

IN THE OTHER semi-final game leading up to Sunday's climax, Vaile and Lucas eliminated Bob Beck and Colin MacArthur 8-6, 7-5.

Another hard-fought final match featured the consolation singles crown won by W. T. Dollar. Dollar played Kirk Lynn and it took three sets to decide this one. Dollar won 6-3, 3-6, 8-6.

The victory Sunday gave Plymire a hand in three of the four crowns this year—he won the singles title, and, paired with Mrs. Bill Powell, the mixed doubles. With Hizzoner Farrell, he added the men's doubles.

Manager Chuck McDonald said yesterday it was the best tourney in the city's history.

### It's Alice Again

Older Bauer Sister  
Wins L. A. Woman's Cup

Alice Bauer, 20, who won the 1948 Palm Springs Women's Golf title, last week-end won the Los Angeles City Women's championship, defeating kid sister, Marlene Bauer, who won the 1947 Palm Springs title when only 13 years of age.

Marlene Bauer was the defending champion in the Los Angeles event, going on to win it last year after taking the local crown.

Alice had an easy time over her 14-year-old sister who was third in the local joust this year. The 20-year-old won 5 up in the 18-hole play.

### Village Anglers Flock to Hills As Season Opens

Village fishermen hied to mountain streams and lakes Saturday and Sunday with the opening of the fishing season.

Bill Marvin of the Palm Springs Sporting Goods reported that a rush of more than 100 anglers swarmed into his place of business during the last two days before the opening of the season May 1, purchasing fishing licenses. The Palm Springs Department and Hardware Store said that about fifty persons showed up there seeking fishing permits.

According to Marvin, most of the fishermen said they were going to fish Snow Creek and Tahquitz and a few like Marvin himself, went to Lake Arrowhead and other mountain retreats.

Recently the streams in neighboring mountains were stocked with trout by members of the Palm Springs Fish and Game Conservation association members.

### Palm Springs High Trims Beaumont In RCL Game, 5-3

Staving off a desperate Beaumont High rally in the last of the ninth, Palm Springs high Indians took their first Riverside County loop game in four starts last Friday by the score of 5 to 3.

The Indians went into the final frame with a comfortable 5-0 lead when Beaumont started to explode all over the place. Ray Roberts got two of the opponents via the strikeout route, however, to subdue them while he still had a two-point margin.

ROBERTS HELD Beaumont to seven hits, three of which were registered by Womack, Beaumont catcher. One of Womack's was responsible for the enemy's last inning splurge.

Besides scattering his opponent's hits, Roberts fanned 13 men and on the attack side, rang up three hits, one a triple which brought in one run.

John Thomas, a freshman, also was socking, hitting safely three times, once for two bases.

FOR BEAUMONT, Pitcher Hargrave fanned ten Indians but was touched for 15 hits. His back was wobbly.

The Indians started out early with a brace in the first, added one in the fourth and made it safe with two in the ninth.

The line score: R. H. E.  
Palm Springs 200 100 002—5 15 5  
Beaumont 000 000 003—3 7 6

### "What's Your Opinion, Mister?"

Fellow from one of those public opinion polls was in Andy's Garden Tavern, querying Andy's patrons on everything from that "new look" to the next election.

And it occurred to me that there's nothing more typically American than collecting other folks' opinions, as well as giving out with one's own. And from where I sit, it's a mighty healthy habit.

So long as people can discuss both sides of a question that comes up—whether it concerns short skirts versus long, beer compared

with cider, or the larger issues of party versus party—we're sure of the individual liberty that has made this country great.

For it isn't differences of opinion that matter. The important thing is tolerance for differences of opinion—whether they affect the right of an individual to vote, to speak his mind, or enjoy a glass of beer. They're all parts of the freedom that we cherish!

## Avak Appeals for New Stay, Afraid To Return to Iran

Avak is afraid to go home. So he told immigration officials in asking for a review of the deportation proceedings against him.

Press dispatches from Miami Beach, Fla., where the young Armenian healer is now in technical custody awaiting deportation, said that Avak told the immigration authorities that he was afraid to go home to his native Iran because he is a Christian.

Federal authorities recently ruled Avak must leave the country because he has overstayed his leave. In his plea for a reversal of the order, he said:

"A stay will preserve my life by affording me the opportunity and privilege of remaining in this country."

He has had "some very bad experiences in Persia" because he is a Christian, he added.

Avak originally came to America at the request of the Krikor Arkelian family of Palm Springs to minister to Vaughn Arkelian.

## Seattle Couple Visit Village and Buy Home Site

Mr. and Mrs. Adrian Myrberg of Seattle, Wash., are flying home this week after three weeks spent in Palm Springs as the guests of Mr. and Mrs. LeRoy Mills, 168 Via Escudella. During their three weeks stay here they grew so fond of the Village and desert that they bought a large lot at Via Escudella and Indian avenue and plan to build a big home there immediately.

Mr. Myrberg is head of the Seattle Stevedore company handling all of the loadings for the Alaskan trade.

The Myrbergs' plans for their new home here include a place large enough where his aides in his Seattle firm can come to spend desert vacations.

During their three-week stay in Palm Springs they took many side trips to points of interest on the desert and in southern California, in general, with their hosts.

Robert G. Dunlop, who has risen in 14 years from an account clerk to the presidency of the Sun Oil Co., tells about an employee who came to him for a raise because he was thinking of getting married. Dunlop gave him the raise, and two months later asked him, "Are you married?" and he said, "No sir." "But you told me you wanted a raise because you were thinking of getting married?" "Yes sir, but I stopped thinking."

## Building Offered Village Elks In Downtown Area

Palm Springs Elks were this week exploring means within the organization bylaws to take advantage of a meeting place offered by the proprietor of a downtown building.

This proposal, offered on a yearly lease basis, was placed in the hands of August Nardoni and Charley Valentino, comprising the Elks Lodge building committee, at a meeting at the Palm Springs Tennis club Friday.

Sanction of the parent Elks Lodge in Los Angeles will be sought by Nardoni this week. He will report the results of his meeting with Elks officials in Los Angeles at another meeting of local Elks at the Tennis Club Friday noon.

All Village Elks are urged to attend the Friday luncheon.

## Flood Board Meets To Plan Projects, Discuss Budgets

Flood control projects involving Palm Canyon, Tahquitz channel and Tacheva wash were discussed at a meeting Friday of Zone 6 commissioners of Riverside County Flood Control and Water Conservation district. Culver Nichols, chairman, presided.

The meeting, at the Fiesta House of the Desert Inn, saw a few interested persons present. Also on hand were Bill Hillery, secretary of the commission and Herb Samson.

It was learned that continued effort is being made to obtain flood control engineering for Palm Canyon, considered a project of major importance. This aid, it was reported will have to come from both the state and federal government.

Budget for the coming year on which the tax levy will be based for zone 6, was studied.

The Theosophy Group brought Professor Stover here recently as a guest of honor from the Theosophical University in Covina. The lecture, given in the Community Hall on the subject of the trees, shrubs and flowers of desert and mountain areas, was illustrated by fine slides. Cabot Yerxa introduced the speaker of the evening. About 60 were present.

Wednesday, two tall palms were brought in and planted in the patio in front of the theatre, adding to the beauty of the surroundings. Mrs. A. A. Baker and Mrs. Lucille Reid have taken over the Theatre Malt Shop and are busily making preparations for the opening of the theatre early in May.

An iron curtain—I don't want the admirals and the generals to be a-feudin', a-fightin' and a-fussin' in public, but I do want them free to express their opinion.—Sen. Edwin Johnson (D) of Colorado, complaining that Secretary of Defense Forrestal is trying to "gag" the armed forces.

## State Park Board Hears Request for Salton Sea Park

The California Park Commission today had under advisement a plea from Riverside county board of supervisors and Coachella Valley groups that a state park be created on the shores of Salton Sea.

It was suggested by Lyle Howell of the Coachella Valley Sports league that the park be named in honor of the late General George Patton who trained his troops in that area during World War II.

Appearing before the state park board Saturday at Los Angeles were Douglas Black, Riverside county planning technician, and Howell, director for the sports league.

It was asked that 540 acres along the shores of the sea be acquired from the United States reclamation bureau for park purposes.

During 1947 the shipments by air express in the United States totalled 3,729,000, weighing over 70,000,000 pounds, an all-time high record, according to Railway Express.

## Cash and Tires Loot in 2 Raids On Automobiles

Two automobiles were the target of thieves over the weekend, according to police reports.

Maire O'Neil, Los Angeles, told police that a thief had gained entrance to her locked automobile in front of a night spot Saturday night and escaped with her purse containing \$100.

Sometime between 12:30 a.m. Sunday morning and dawn a carstripper was successful in dismantling two wheels and tires from the automobile belonging to

Felice Ferrara, grocery clerk. Police believe the thief was frightened away before completing the removal of the other two wheels and tires which were found partially removed.

Notes made at the Hobo Costume Ball . . . (Notes: (1) We did make notes; (2) we didn't leave them in someone's pocket; (3) we were there) . . . everyone looked very trampish except our good Mayor, Charlie Farrell, who was merely showing that "you don't have to wear old clothes to be a bum" . . .

D'Alessios  
Entertain at  
Dinner Party

One of Season's Most  
Delightful Affairs  
Given at Tennis Club

One of the season's loveliest dinner parties was hosted by Dr. and Mrs. J. A. D'Alessio at the Tennis Club Saturday evening. The formally attired guests gathered in the Lanai Room for cocktails and later adjourned to the Bougainvillea Room for dining and dancing.

They were seated at a long L-shaped table bearing beautiful arrangements of white spring flowers. One of the guests, Rudy Vallee, highlighted the evening by entertaining the party and other Tennis Club-goers with several of his favorite songs and amusing them with a monologue on life after forty.

The bidden guests were Mr. and Mrs. J. P. Seeburg, Mr. and Mrs. Vincent Marco, Judge and Mrs. Alfred Paonessa of Los Angeles, Mr. and Mrs. Al Britt of Belmont Shores, Miss Mary Ann Nyberg, Mr. and Mrs. Leonard Myberg of Beverly Hills, Dr. and Mrs. John Van Paing of Santa Barbara, Dr. Chet Ogden of Long Beach, Mr. and Mrs. Bror Dalberg of Chicago, Paul Laszlo of Beverly Hills, Mr. and Mrs. Lee Bering, Mr. and Mrs. Don Manchester, Mr. and Mrs. John Ballard, Mr. and Mrs. George Wheeler, Herbert Papock, Ila Maria Willing, Hal Rioridan, Miss Cynthia Snowden, Don Cameron, Miss Harriet Guyer, and Miss Gloria Bristol.

Mrs. Grove Guest  
In Los Angeles

Mrs. Katherine Grove returned to Palm Springs last week after several days spent in Los Angeles with Mrs. Sadie Luyster of Detroit, an old friend. Mrs. Luyster, who owns a residence lot in the Tennis Club section where she plans to build a home, is leaving for the midwest soon to settle up her affairs there and move to the coast.

While in Los Angeles, Mrs. Grove also visited her niece, Mrs. Frank Chapp and her new six-month-old grandniece, daughter of Mrs. Dallas DeCousin.

Even Ray Whitaker and his orchestra, Bob Bann, Jerry Geller and Lud Hogan, shed citified clothes for their final appearance of the season. Most everyone who has danced to this fine and fun music will miss Ray and Co., and hope for their return next year. . . . Tony Burke's broken leg kept him off the dance floor but not away from the party. . . . Louis Krukenberg must have been a makeup expert in years past, for until we met him we were sure that he had just wandered in through the back door in search of few cats. . . . If you weren't there you've heard enough about the Charity Ball, if you were you saw all this anyway, so we'll summarize the event by saying that there were more tramps than usual at the Tennis Club. . . .

The next day found many of the same people in Sunday dress watching the finals of the men's doubles in the city tourney and the presentation of the cups. . . . Harry Plymire teamed with Charlie Farrell defeated Paul Lukas and Rolfe Vaile in an exciting match which brought Mr. Plymire's wins to the grand total of three. Wouldn't be at all surprised if the Village gentlemen shipped him to South Africa during the tourney next year. They would probably also like to send some of the younger players, Ben Chaffey, Frank Purcell, etc., who did so well in the tourney, to distant boarding schools. . . .

Among the things we enjoyed this weekend were cocktails in the Ernie Alschuler's beautiful home and taking the grand tour through their lovely flower and cactus gardens, and less lovely but practical vegetable garden. . . . Accepting the hospitality of the Austin McManuses for cocktails the same Saturday evening. . . . The Florian Boyds also were pouring cocktails at home to a group of Villagers. . . . Mrs. Louise Crist is completing plans now for her summer vacation to start on the 19th of May. She will tour Europe and South America. . . . With the closing of Smoke Tree Ranch Mrs. Horace Armstrong left yesterday for her Santa Barbara home. . . . Other departing winter residents are the Gordon Prentices and their daughter, Barbara, who are off to San Francisco tomorrow and then to their Seattle home.

Celebrating their golden wedding anniversary at the Tennis Club on Friday evening were Mr. and Mrs. Al Stuebing of Palm Springs and Hollywood. Mr. Stuebing is the Hollywood Ford dealer. . . .

Hobos Play in  
Swank Setting  
Of Tennis Club

The colorful background of the Swank Tennis Club formed a striking contrast to the hundreds of disreputable hobos and hoboes who swarmed through its portals on Saturday evening for the Hobo Costume Ball. The ball which was given for the benefit of the newly created St. Theresa Catholic Parish attracted Villagers en masse and numerous out-of-towners who all outdid themselves in making their costumes appear authentic.

Chairman of the event was Mrs. Walter McManus who was ably assisted by Mrs. Harold Murphy, Mrs. Tom Holland, in charge of ticket sales, and Mrs. Reed Hubbell who was responsible for the beautiful wrappings on each prize given away. The lovely prizes were generously donated by local merchants and residents.

Thanks goes to Lee Bering and the Tennis Club from the tramps, dirty of face and ragged of clothes, that gathered around the elaborate buffet table to taste of delicacies that never before went into the mouths of hobos. And thanks also to Santos de Jesus, the Tennis Club's perfectionist tender of the bar, for his invaluable aid in the managing of the drink department.

Ray Whitaker and his orchestra made their final appearance of the season here in bum-clothes to contribute their inimitable style of dance music to the gala occasion.

During the middle of the evening a hobo fashion show was held with Dr. Georgiana Raymond and Mrs. James Hume walking off with honors among the ladies and Louis Krukenberg, (he of the costume so priceless that many thought he had just wandered in off the streets) was worst dressed man. Unforgettable costumes were also worn by "Apple Annie," Mrs. Juana Warner; the balloon girl, Mrs. Robert Ransom, and the collector of alms for the poor, Rose Mints. And lest we forget, Mayor Charles Farrell, acting as master of ceremonies during the presentations of the gifts, and Barney Hinkle, chairman of the judges of the fashion show.

Entertainment was also provided by funny man Allan Carney who had added his humor to the Snow White Ball on the previous weekend.

Among the Villagers who turned out for the Charity Ball were Miss Theresa Fields, Mrs. Alice Guthrie, Dorothy Gray, Max Dresdner and a large party of friends, Mrs. Noble Banks, George Brown, publicity director for Paramount studios, and Messrs. and Mmes. Lloyd Simon, Stanley Rosine, Seigel Raymond, Herb Sampson, Harold Hicks, Barney Hinkle, Kenny Paul, Elmo Purnell, Roy Colgate, Florian Boyd, Ray Kelley, Sam Levin, Earl Hough, Armand Turonnet, Charles Mathews, Edgar McCoubrey, Dr. and Mrs. Frank Purcell, Mrs. Farrell Morgan, Mrs. Albert Renier, and Ben Meyers.

## Total Loss

Home Destroyed in  
Fire on Reservation

Fire, origin unknown, totally destroyed the one-story frame house dwelling owned by Christine Lario on the Indian Reservation, yesterday.

It was estimated that damages would be in excess of \$1,000 and that the loss was not covered by insurance. Palm Springs firemen answered the alarm at 2:02 p.m.

A spoonful of ammonia in a quart of water for washing paint will make it look like new.

## Merry Sunday in the Village

Sunday found several lovely parties taking place in the Village. The home of Mr. and Mrs. Richard Grant was the scene of a cocktail-buffet given in honor of their houseguest, Mrs. Millie Richards. Their guests were Mr. and Mrs. Harry Reid, Mr. and Mrs. Russell Wade, Mr. and Mrs. Bob Beck, Mr. and Mrs. Bob Renker, Mr. and Mrs. Tom Lyon, Mr. and Mrs. Claude Valeur, Miss Barbara Prentice, Ernst Lehmann, Ernie Dunlevy, Don Kennedy, and John Seamans.

Mrs. Rosalie Hutchinson of Miami Beach, Florida, who is vacationing in the Village during April and May, chose Sunday evening to entertain her many Palm Springs friends for cocktails. Among the many guests were Mr. and Mrs. Frank Davies, Mr. and Mrs. Ed Davies, Mr. and Mrs. James Whitehorn, Mr. and Mrs. Harold McAlister, Mr. and Mrs. Sol Lesser, Mr. and Mrs. Kenneth Kirk and their houseguests, Mr.

and Mrs. Charles Cooper of Flintridge, Mr. and Mrs. Fred Burgess, and Mrs. Jean Fitch of Honolulu; Mr. and Mrs. Reed Hubbell, Mr. and Mrs. George Wheeler, Mr. J. Darsie Lloyd, Mr. and Mrs. Paul Belding, and Mr. and Mrs. William Alworth.

Ray Whitaker hosted a farewell cocktail party in his home since he and his orchestra are leaving this week for other music grounds. His guests included his parents, Mr. and Mrs. Clyde R. Whitaker, Mr. and Mrs. Bob Bann, Mr. and Mrs. Lud Hogan, Mr. and Mrs. Jerry Geller, Mr. and Mrs. Kenneth Colborn, Mr. and Mrs. Lee Bering, George Wood of Hidden Springs, Mrs. Dora Morrison, Mrs. Daisy Lukas, B. K. Richardson, and Brandy Brent.

Mr. Kenneth Colborn invited a small group of his friends to his home the same evening to celebrate the birthday of his wife, Julie.

Claude Valeurs  
Hosts to Friends  
At Desert Inn

The patio of the Desert Inn made a lovely setting for a dinner party hosted by Mr. and Mrs. Claude Valeur on Thursday evening. The tables, lighted entirely by candles, were decorated with beautiful arrangements of spring flowers.

The guests were Mr. and Mrs. Trav Rogers, Mr. and Mrs. Richard Grant, Mrs. Millie Richard, Mrs. Betty Ireland, Mr. and Mrs. Tom Kieley, Mr. and Mrs. Gorge Roberson, Mr. Pettito, and William Saunders.

A. E. Hoovers At  
Hollywood Wedding

Mr. and Mrs. Al E. Hoover spent the weekend in Hollywood. The occasion was Joan Hurd's wedding which took place on Saturday. Dulcy Jayne Hoover, Joan's roommate at Arizona State was a bridesmaid.

They were again feted by their son and daughter-in-law, Mr. and Mrs. Al Stuebing, when they invited many friends in to greet them at their home on Saturday afternoon. Both at the Tennis Club and the Stuebing's home the gold theme was carried out in flowers and decorations. The bride wore a corsage of golden orchids and the groom wore the suit he had been married in. That is something most men married five years couldn't accomplish.

## DOING THE VILLAGE

with  
Moya Henderson

Really celebrating in a great big way this week end were Mr. and Mrs. H. L. Stuebing who were receiving congratulations on their fiftieth wedding anniversary. With members of the family and friends (many of them they've had over fifty years) they celebrated at the Tennis Club Friday night with dinner and dancing, the older members of the party far outdancing the others.

They were again feted by their son and daughter-in-law, Mr. and Mrs. Al Stuebing, when they invited many friends in to greet them at their home on Saturday afternoon. Both at the Tennis Club and the Stuebing's home the gold theme was carried out in flowers and decorations. The bride wore a corsage of golden orchids and the groom wore the suit he had been married in. That is something most men married five years couldn't accomplish.

UP AROUND the Tennis Club Saturday night it looked as if the annual convention of hoboes was taking place and that Lee Bering was giving them all a hand out. The most rugged looking individuals descended from the sleekest looking cars to enter the Club for the Hobo Ball. Friends had difficulty recognizing each other, in fact Mrs. Mike Flavin said she spent the greater part of the evening with no one knowing who she was. Impressively bumish were Ferol Morgan, Theresa Fields, Imogene Hume, Charlotte Watson, Florence MacRory, Florence Murphy and Georgiana Raymond, who had at least ten days growth of beard attached to her chin. Sandra Shearer made a very glamorous hobo in a strapless affair made of gunny sacks.

Joan McManus was the instigator of the hilarious party and it was due to her efforts and the assistance of Florence Murphy, Marie Holland, and many helpers that the party was such a success. Proceeds from the ball will go for the new St. Theresa's School, now under construction on east Ramon road.

THOSE VERY SMART local girls, Dee Dee Bennett and Helen Louise Williams, are looking forward to very exciting summers. Dee Dee has accepted a position with Congressman John Phillips in Washington, D. C. and leaves for the East Coast soon. She will be joined later in the summer by

her parents, Melba and Frank Bennett, when they go back to take in the Republican National Convention. Helen Louise will go to Coronado to be the junior hostess under Florence Shelley at the Coronado hotel. Helen Louise, as vice-president of Redlands university has gained experience handling all campus social affairs, and has already had several offers for positions next winter.

Busy making preparations to catch the train on Wednesday are Esther and Al Weingarten who are leaving the Village for a six weeks visit to New York. Al is looking forward to getting his fill of eastern oysters and clams. On the return trip they will stop over in Louisville, Kentucky to visit relatives.

JUST BACK from a visit in San Francisco is Alta Grant who had such a wonderful time in the northern metropolis, she prolonged her stay for a few days. Part of the reason for this was that Alta was invited to place the flowered horseshoe on the sweepstakes winner at Bay Meadows, an event that doesn't happen to a gal every day in her life, nor does every girl receive a kiss from winning jockey, Johnny Longden. Returning with Alta for a visit in the Village was Mil Richards who was guest of honor at a cocktail party and Desert Inn dinner given Thursday evening by Ruth and Claude Valeur.

An impressive affair was the tea held at the War Memorial building by the American Legion Auxiliary on Sunday afternoon honoring Gold Star mothers, fathers, wives and sisters. The very fine musicale, including Rev. James Blackstone accompanied by his wife Jean, D'Esta Williams at the harp, and vocalist Gwen Barry, was presented by Holly Visel. Mary Ellsworth greeted the guests who included Gold Star mothers Mrs. Harold Lieneau, Mrs. Tony Prieto, Mrs. Allen Hall and Mrs. Vida Bryant.

## This Side of Sun . . .

again, it may be only the delightful May weather that affects me.

**SPEAKING** of typewriters, saw an item the other day, one of those 3-line "fillers" which make-up men use to plug the little holes in a newspaper page . . . This one set forth that the first typewriter was patented in 1874 by a man named C. Latham Sholes . . . I think that's the typewriter I have at home . . . I'm on the shoals every time I dab at it . . . But although the typewriter is, let's see, 4 from 8 is 4, 7 from 4 is 7 and take one off the 9, oh, yes, although the typewriter is 74 years old, there hasn't been an improvement on the method of changing a ribbon in all that time . . . The rest of the contraption has been improved steadily but not the ribbon changing . . . Every time I change one I seem to think it has to go around the telephone and drawer handles, too, and I always find myself wearing what looks like a string necktie when I get through even though I started the day open-necked.

**ANOTHER** thing which had me worried for some time until I took a few minutes off Sunday to check, was the fact that an ordinary book of matches was always exhausted before the pack of cigarettes was . . . (pardon the grammar but ain't life grand) . . . I used to blame it on the wind but Sunday got the bright idea of taking a census . . . Quick, now, how many paper matches do you get with a pack of cigarettes now that they're giving matches away again? . . . So did I but you're wrong . . . Discarding a dozen or so books which only had one to three matches in them, I counted the full packs in my desk drawer and the average was around 19 matches . . . No wonder so many people are al-

ways saying: "Gotta match, buddy?"

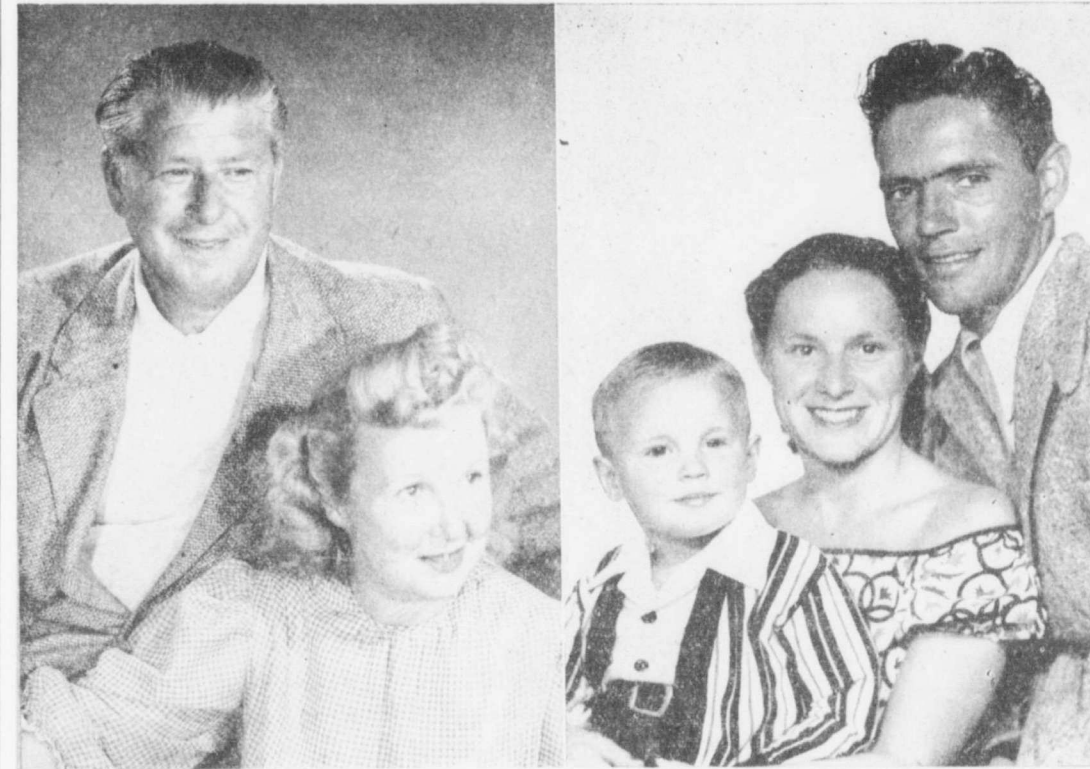

**GUESS** our lawmakers don't think we are very smart . . . The senate is expected to pass the measure allowing the sale of colored oleomargarine but to "protect the public" is going to add an amendment that colored oleo be packaged in triangular shape so it won't be mistaken for butter . . . Probably think the housewife can't read . . . Now for the Unpleasant Thought department: While we're feeling so complacent about it all, thinking, "pooh, pooh, we're far away, Russia can't bother us," wasn't it in 1937 that a Russian plane was sent on an experimental hop across the north pole from Moscow and landed just over the mountains near Hemet? . . . And aren't we due for a minor earth jolt or two about this time of the year? . . . Nothing dangerous, you know, but just a little shake-up? . . . Seems to me we always have them when it changes from cool weather to warm and vice-versa in the fall.

**PEOPLE** like to do what they think is the "smart" thing to do . . . During prohibition lots of people took to schlupping because it seemed to be the right thing at the time . . . Many people now seem to think it's smart to get away with infractions of the vehicle code such as barging through stop signs, speeding, ignoring the arm signal and dimming laws . . . Well, how about a campaign to put a little glamour into driving safely? . . . If safe driving would be the smart thing to do, most people would drive safely even if it killed them . . . The National Traffic Safety committee has started a campaign to make courteous driving the glamorous thing . . . That ought to cut the fearful highway toll.

**AS A PARTING SHOT** . . . I'll even settle for a few splinters if I can have a bench to sit on.

## Palm Springs Personalities—

—By Barbara Schilly

Tennis has come to a climax in Palm Springs this past week with the completion of the annual Palm Springs Tennis Tournament. It is one of the most widely participated sports in the desert area and many excellent players can be found. Some of the people who have had much to do with the teaching of Villagers and visitors and who have done a fine job of keeping Palm Springs tennis up to its high standards are featured in this week's "Personalities".

—Photos by Bernard of Hollywood.

La Quinta hotel's tennis pro ever since the famous desert hotel opened is Joe Sawyer, pictured with Mrs. Sawyer (upper left). For twelve years Joe was manager and pro at Rip's Sutton Place Tennis Club in New York, later he was with the Racquet Club in Palm Springs and from there joined La Quinta. His summers are spent as tennis pro at the Sagamore Bolton Landing on Lake George in New York. Joe, by rights, should perhaps be a rancher or cowboy, coming from Montana, but he claims (and he himself is proof) that they do play tennis in that state also. Hobbies for the Sawyers? . . . the desert and just being in it.

Bob and Virginia Renker and their son, Jeffrey (upper right) are well known faces at the Tennis Club where Bob is tennis pro. Bob and his brother, Fred, who is manager of the Shadow Mountain Club and also a fine player, were guided by their father in the game and Bob started playing when he was eight. He soon became 4th in the national ranking for boys and juniors. Bob was pro at the West Side Tennis club in Beverly Hills and after serving in the war, came to the Tennis Club. Virginia plays a little tennis and Jeffrey plays a lot . . . of course he doesn't hit the ball very often, but he

enjoys the game and that is what counts.

Bob Norie, (right center) handsome pro at Smoke Tree Ranch (and the only pro who is not married) has been at the Ranch since 1936. Bob's high school tennis coach in Illinois saw his possibilities and encouraged his playing; as a result, he was given a junior membership with the River Forest Tennis Club and represented that club all through high school and college. At Northwestern he was ranked first in doubles and later was champion doubles player for two years in Illinois. Midwest Open Doubles champion was a title he carried for three years and he also carried the singles championship title for one year. Bob's favorite pastime is dancing . . . even after spending a day on the tennis court . . . he finds it very relaxing.

Pictured (lower left) are Mr. and Mrs. Dave Gillam, Dave being the pro at the Racquet Club. Dave started playing as a schoolboy in Glendale; he played on teams at Pasadena Junior College during which time the latter's team was Southern California champion. Entering further tournaments, Dave became Southern California Municipal Singles champion and was sixth in the U. S. Municipal rankings. Mrs. Gillam leaves all tennis to her husband, not playing the game, but Dave comments that he does not mind at all, for though he loves the game, he likes to exchange it for a pleasant evening at home instead.

Cliff Halstead, pictured with his wife, Maxine, and family (lower right) did not start to play tennis until 1941. However, being a natural athlete, he soon mastered the game to such a degree that he was asked to teach. In the first year that he played, he won the Lake Arrowhead Men's Doubles. Later, Cliff joined the Tennis Club as pro and his background of tennis and public relations was very valuable when he served

This coming Friday another Film Classic will be shown to members only at 8 p.m. It will be "The Dance in Motion Pictures", featuring Fred Astaire (Bojangles), Joan Crawford (dancing the Charleston), Anna Pavlova, the Castles, Walt Disney's "Skeleto Dance", and Rudolph Valentino (Tango).

Tomorrow's field trip will be a 3-mile hike over Abe Lincoln Ridge on the Skyline Trail back of Palm Springs. Interested persons should meet at the Museum at 12:30; return at 5.

**SATURDAY NIGHT'S** guest lecturer will be Edmond C. Jaeger of Riverside, author of "California Deserts" and other well-known desert books, who will present an illustrated talk entitled "Mohave: the Story of a Strange River". Mr. Jaeger has always presented the first lecture of each season, and this year has also been asked to deliver the last one, for tomorrow night's program will be the last Saturday night lecture of the current season at the Desert Museum. Public invited without charge at 8 p.m.

Next Tuesday the natural history films to be shown will be: "Stop Forest Fires", "Geological Work of Ice", and "The Moon". Public invited at 8 p.m. no charge.

**MUSEUM** membership now totals 598 with three memberships coming in last week. They were from Mr. and Mrs. Albert Burke, Mrs. Dora L. Huffaker, and Mrs. Anita Haskell Jones. Renewals during the week were received from Mary B. Beach, Mr. and Mrs. Walter B. Bishopp, Judith M. Crawford, Mr. and Mrs. Thad. Graham, Mrs. Eber D. Kanaga, and Mrs. Ruth Kessel.

The Alamo Duck Club at the end of the Salton Sea proved to be a most excellent spot to observe water birds. In all, over 50 different species of birds were observed on Sunday's 200-mile trip, which is the last bird trip this year. Those who took part in it were E. Dona Carey, Mrs. Bessie Edmonds, Kathryn Groot, Dr. V. A. Chapman, Mrs. Rose Hansen, Mr. and Mrs. E. Hollingshead, Margaret Hollingshead, Miss Kay Kelly, William Norman Jupe, Mrs. Bertha H. Hubbard, Miss B. Lempe, Miss Edith Ludewig, Ernest G. Meyers, W. E. McClaren, William A. Slick, and Mrs. Lonidas M. Wick.

**RECEIVED** last week from Mrs. J. Smeaton Chase were four lovely local Cahuilla Indian baskets, formerly belonging to Dr. White, a sister of Mrs. Chase and Miss Cornelia White. These four baskets are different from any of the others which the museum now possesses, not only in shape but in design. The most unusual of the four is a deep oval tray about one foot long and 10" wide and 4" deep, decorated with what appears to be a heart design but may possibly be either an arrowhead or a butterfly. The other three baskets are all glo-

## New Yorkers See Palm Springs, to Become Villagers

Mr. and Mrs. John P. Stetson, New York City residents for many years, spent several weeks here this season and, like so many others, fell in love with the desert. So this is going to be their winter home hereafter. They have purchased the Montgomery Davis residence at 1122 Tamarisk road and will be here early next season.

They will spend the summer at their resort home in New Hampshire.

Mr. Stetson is in the metal printing business in Long Island City, New York, and recently opened a branch factory in El Monte, Calif.

The Stetsons were guests at the Bellardo Villa here.

The buyers were represented by Mrs. Lee Luecke of the H. H. Foster office while A. E. Hoover of the Culver Nichols office acted for the seller.

## Quick Action

Credit Cab Driver  
With Saving Man's Life

John A. Seme, taxicab driver, was credited by local police with saving the life of W. Thomas, Tucson, last week.

Seme was about to pass an automobile in which Thomas was sitting when the latter cried out for help, declaring that he was in the grip of a severe heart attack and needed a doctor. Seme pulled his taxicab to a stop in front, jumped into Thomas' car and hurried him to Palm Springs Community hospital, where quick medical attention brought the heart victim safely through the attack.

bular in shape, the smallest is only 4" in diameter and 2" deep; the middle one is 5" in diameter and 4" deep; and the larger, 8" across and over 4" deep. These latter three are decorated with simple geometric designs done in black, white and yellow-brown. These baskets, together with those given recently by Miss Esther Pearson and Miss Cornelia White and those loaned by Mr. Cregar, form the nucleus of a fine collection of the local Indian baskets which is now a lost art. These baskets are rated by ethnologists as being some of the best examples of native craftsmanship of any Indians in the United States, being perhaps excelled by only one other tribe—the Pomo of Northern California.

## Ohrt Rides Again Tomorrow

Expects To Make His Eighth Annual Ride To Palm Springs in Less Than Eight Hours

Hans Ohrt, Beverly Hills and Palm Springs cyclist, is due in town tomorrow on his eighth annual bike ride from his Santa Monica boulevard place of business to the Desert Inn.

It will be his second single ride. On six of the previous rides Mrs. Ohrt accompanied him on their tandem hike. Once before he came alone—when the weather was bad.

HIS PREVIOUS single ride was made in 7 hours, 59 minutes. He expects to make it about the same time again, maybe a little faster, depending on the elements but under eight hours, at least.

Best time for the two on a tandem for the 125 miles from Beverly Hills and into the Desert Inn grounds was 9 hours, 15 minutes.

MRS. OHRT is driving down this time and will greet her husband, who has taught many movie stars how to get the most enjoyment out of cycling, at Riverside and Beaumont where he plans stops.

Dick Hyland recently devoted a full column to Ohrt who has been pedalling into the Village along about this time each Spring for a brief visit in the Village and little short rides, such as over to La Quinta, for diversion.

The senate rules committee announced the appointment Friday.

## Field Club Plans New City Offices, On Council Agenda

Palm Springs new city council will meet in their first scheduled regular meeting tomorrow night with many important items coming up for discussion.

The new councilmen have had two rallies around the council table so far, the organization meeting of April 20 and an adjourned meeting last week. This one is their first regular "first Wednesday of the month" session.

Among items to be presented for discussion and possible action is the Field Club recreational project, another is the decision on whether to move proceedings to city property at the air base because of a hike in rent of present city office quarters.

Routine business is expected to round out a busy evening.

## Strictly Village Affair

Colonial House Patio  
To Be Scene of Gala  
Colorful Spring Fiesta

"Positively a Village affair!" So declare members of Palm Springs Post 34, American Veterans of World War II, in reminding everyone to be present at the Spring Fiesta the organization is sponsoring Saturday night.

The event is slated to take place in the inner patio of the Colonial House with Mr. and Mrs. Wilbur Davis acting as hosts for the event as they did during the first one staged there last year.

GRAHAM DEXTER, commander of the post, announced that the \$1 admission ticket was kept

Mayor Charley Farrell late last night issued a proclamation urging support of the Spring Fiesta. In part it read as follows:

"It is with pleasure and appreciation I proclaim this week Palm Springs Amvet Week. The many veterans of World War II of this community who this Saturday are holding their second annual Spring Fiesta should receive the support of every citizen."

"Post 34 of Palm Springs Amvets is a deserving organization and a vital force for good in this community."

CHARLEY FARRELL, at that level so that all persons who wish to spend an enjoyable evening may do so.

A three-quarter-acre estate-lot at beautiful Rancho Mirage which has enhanced in value since it was given to Amvets by co-developers Dave Culver and A. Ronald Button, will be awarded at the party. Beautiful homes are now in the process of being erected on all sides of the location which overlooks the entire desert. Conservatively the lot has been valued at \$1,500.

A \$300 combination phonograph and radio of the most popular make will also be given away. It can be seen on Palm Canyon drive in front of the Palm Springs Drug and Import company every day this week.

MRS. KENNETH BRIODY will

### From Page One—MORE ABOUT Officer Knifed...

the resultant attempt to aid Thompson, Clinton made good his escape.

ROAD BLOCKADES were established on all avenues of escape from the desert and Riverside county sheriffs were called into the hunt for the knife wielder.

A house-to-house canvass of the Reservation and a stake-out of Clinton's home failed to result in his capture.

Clinton assertedly slashed Officer Thompson's upper arm to the bone when the policeman attempted to separate him and Elmore Grace, 33, also a Negro. Grace was superficially wounded in the chest.

Clinton was stationed every day this week in front of the Bank of America selling tickets to the Spring Fiesta. All Amvets in the Village have books of tickets in the event anybody should want one.

Last year the spring Fiesta drew approximately 1,000 Villagers and their friends. It is expected that next Saturday will see a comparable number turn out for the occasion.

REFRESHMENTS will be served on the grounds at prices commensurate with the average person's ability to pay. Entertainment, dancing, folk singing will highlight the evening of fun and frolic.

All of the proceeds will be used in welfare work for World War veterans, it was announced. Part of the money that may accrue will be used in financing a program to have every Villager blood-typed. Some of the money will be used to take care of indigent World War II veterans and for hospital purposes.

"IT IS THE HOPE of our organization," declared Commander Dexter, "that no member shall ever be in need while a resident of this community. It is with this thought in mind that Amvets from time to time stage these Village wide affairs."

He added that Amvets has never applied to any charitable organization to help one of its members and if humanly possible, it shall not be done.

"Instead," continued Dexter, each member has pledged to make the Spring Fiesta an affair in which every person will get more than his or her money's worth. Come and have a good time."

At a special meeting of Amvets last night all members of the organization who have tickets outstanding were asked to turn them in to Commander Graham Dexter by noon Thursday.

## Girl Scouts

AZALEA TRAILS—The Girl Scout summer camp at Azalea Trails near Idyllwild is meeting a very enthusiastic response this year. Already more Scouts and Brownies from Palm Springs have signed up for this summer than in any previous year. Any other girls wishing to take advantage of the camp had better hurry up and register. Further information may be secured from Mrs. Billie Moseley, camp chairman, at 4563.

CAMP OUT—Last Friday Troop II, with the assistance of Mrs. Grace Morrison and Mrs. Kitty French, all gathered together their bed rolls and ample supply of food and took off for Andreas canyon. Eating and sleeping under the stars proved quite an experience for the girls.

The meeting yesterday was presided over by Interim President Charley Mathews. The business that followed the canvass of the voting included reports from several committees.

It was learned that the terms of eleven new directors elected in March will expire December 31, 1948. The directors elected May 1 will remain in office until December 31, 1949.

THE FISCAL YEAR of the Chamber's operation was changed to conform with the calendar. Lyle Newcomer, Hilton McCabe and Jack Ballard were appointed to study the by-laws of the corporation to conform with recent changes.

Reed Hubbell, chairman of the Traffic committee made his report and whether a Better Business Bureau should be organized in the Village was shelved pending a report from Harold Hicks. Seven members volunteered to work on the membership committee and a suggestion that the Chamber request posting of Highway 111 junctions, north and south, was held up until the matter is studied more thoroughly and other communities are asked their viewpoints.

Earl Coffman and Muriel E. Fulton were named as a committee of two to select names of prominent winter residents for honorary directorships.

## Disaster Needs And Preparation Convention Topic

Disaster needs and preparation to meet public emergencies in California was the general subject of a two-day Red Cross conference in Sacramento last week, in which the Riverside county chapter took an active part.

Mary Ellen Pangle, chapter manager, led representatives of major chapters in discussions of the use of community groups in preparedness organization. Coordination of all state agencies, the Sixth army and the National Guard in disaster preparedness was planned.

In time of disaster—such as fire, earthquake, tornado, or any life-disrupting event—the Red Cross is charged by congress with the responsibility for providing food, clothing, shelter and rehabilitation, including medical care, for the stricken peoples.

Col. H. G. Halverson, county vice-chairman of disaster service, and Mrs. Vivian Harrington, home service director, also attended.

## Oregon Grower Decides To Make Desert His Home

Myron Root, who found it advantageous to advertise Crater Lake grown pears in The Desert Sun, decided that "one good turn deserves another," has bought a home at Rancho Mirage in order to live on the desert.

"I decided to try advertising these excellently grown pears in The Desert Sun as an experiment," declared Root. "The results were so outstanding I decided to come down here and take a look at this community."

He added that he instantly fell in love with the desert and the people who live here and purchased his home through Don Cameron, realtor.

"Why, this desert is actually fabulous," exclaimed Root. "No wonder the people here like my pears."

## Night Lights Aid Police in Check On Local Stores

A month-old campaign by Palm Springs police to gain cooperation of merchants in making it tough for burglars in the Village is well on the road to success, it was learned this week.

Police officers, making a store to store check of business establishments in the Village, report

Kettmann remarked that a burning light in an otherwise darkened business interior is the
